

2022-2023 Tuition Fee Schedule

We are committed to delivering the best Montessori education in the Miami Valley with competitive rates. In addition to competitive rates, we are pleased to offer a 1.5% tuition discount for annual tuition with a one-time payment, **by check only**, in August. Additionally, we offer a generous savings of 10% per sibling. **We can only offer ONE discount per child.** For example, the first child paid in full, by check, in August receives the 1.5% tuition reduction. The additional sibling's tuition is already reduced by 10%, so even if paid in full, no further discount will be given.

Half Day programs are 8:30am - 11:30am. Full Day programs are 8:30am - 3:30pm.
